

ADSCAPE 2017 REGISTRATION

EXPLORE THE LANDSCAPE OF ADVERTISING

Discovering Advertising Protégés (DAP), part of the American Advertising Federation of Roanoke, is seeking nominees for a day long program – ADSCAPE – designed to give creative high school students an insider’s view of advertising. The program includes hands-on workshops on a range of topics and lunch with professionals, professors, and college students. Minority students are particularly encouraged to attend, as this segment of the population is being heavily recruited in the industry.
